 - 4. Degree Work Degree Audit: The Degree Audit is comprised of user-friendly sections.
 - 5. The <u>Student Information</u> section offers a snapshot of relevant facts including student level, program, major(s) or minor(s), academic standing, class year, and advisor(s). You will also see the following when it is relevant: PC Scholarship (scholarships that require specific academic standards), student-athlete status, and/or international student status. Below is an example of a double major. If the majors fall under two separate degrees, you will use the degree drop-down menu.
